GRAND DESIGN MEETS THE GRAND TOUR - As beautiful as it is – with its exquisitely designed good looks – the SQUADRON 68 is an intrepid adventurer at heart.

From the outside, Alberto Mancini’s vision of strong, bold lines almost seem to push the entire craft forward as if it’s constantly eager to head out to discover new shores, untouched coves and exotic hideaways. However, once you’re aboard, every element you encounter has been purpose-built to beguile you into a state of absolute luxury. Gleaming lacquered wood panels slip elegantly into the background as you walk through the main deck, all on a single continuous plain, without a single step in sight. The flybridge above extends out unapologetically with more than enough room for lounging in three distinct areas. Below deck, every possible convenience and comfort has been thought of, with a lot of love for detailing. 4 cabins layout including 3 bathrooms and a twin crew cabin. Exploring has never been so glamorous. For more information or to arrange a viewing please contact BOATS.CO.UK on 01702258885 or Email Sales@boats.co.uk
